

# Forest research priorities in Russia

NATALIA V. LUKINA  
CENTRE FOR FOREST ECOLOGY AND  
PRODUCTIVITY RAS

# How to develop and finance

- ❖ **Updating National Research Agenda (NRA ) accordingly the priorities– already done**
- ❖ **Impementation of NRA through the calls in Ministries and agencies: Ministry of education and science, Ministry of natural resources and ecology, Federal Forestry Agency , Federal Agency of Scientific Organizations, Russian Academy of Sciences as well as through the calls of RFBR, RSF and etc.**
- ❖ **Integration of efforts of academic institutes, universities, subordinate agency and ministry institutes, business community;**
- ❖ **Open scientific expertise of the calls and reports;**
- ❖ **International collaboration.**
